### **INVITATION FOR A VHSC MEMBERS VOTE!**

**Our VHSC, founded in 1961, first remained a relatively small club. According to the Dutch law, VHSC was a non-registered club with restricted competence at that time.**

**From 1981 we were facing a fabulous grow of the VHSC membership: from 70 members in 1981 to 270 members in 1988!**

**The VHSC Committee (PA0LOU, DL6MK, PA0DIN) was not unhappy at all with this development, but felt that time had come to consolidate the position, continuity, management etc. of our VHSC.**

**That’s why in 1988 the VHSC Committee proposed to the club members to vote for a change in the status of VHSC: from a non-registered club with restricted competence into an official registered club with full competence.**

**A majority of VHSC Members participated in that VHSC voting, giving agreement with the proposals of the VHSC Committee.**

**On 15 June 1988 PA0LOU, DL6MK and PA0DIN have been present, in person, in the notary’s office to settle the registration of our VHSC.**

**That’s all more than 30 years ago!**

**The text of the statutes of VHSC, at present perhaps looking somewhat old-fashioned, therefore could use some renewals.**

**However, changing of the text of the VHSC statutes, be it textually or be it content, only can be written by a notary.**

**Moreover, not only the notary has to be paid for his work, but our national Society Registration Chamber as well: registration of VHSC Committee Members is not free of charge.**

*PTO*

**During the past year, the VHSC Committee (PA3BWK, DK5JI, PA0DIN) has been thinking and discussing on the necessity of having the status of a registered society VHSC, with full competence, instead of a status of a non-registered society VHSC with restricted competence.**

**The VHSC Committee understands that in both situations, registered or non-registered, there will exist a society VHSC. The opinion of the Committee is that we could manage well with the status of VHSC as we used to have in former days, namely from 1961 until 1988.**

**Yes, compared to the view of the VHSC Committee in 1988 we may speak of “new insights” now. But nowadays it appears to be hard, also in the case of our VHSC, to find volunteers who are prepared to do the necessary work for a club during a longer period. In 1988 the VHSC Committee couldn’t be aware of that problem of today!**

**What to do if volunteers for the jobs of VHSC President and/or VHSC Secretary/Treasurer cannot be found in the near or later future? In case of a non-registered club VHSC there will be more flexibility for Members and Committee to find suitable solutions. And, in that case, there will be no costs to pay to a notary nor to the Society Chamber. A non-registered VHSC will also show a smaller workload for the VHSC Secretary, an eventual successor for that job could be easier to come across then!!**

**Unanimously the VHSC Committee proposes to the Members to agree with a change of the status: from a registered society into a non-registered society.**

## **DEAR MEMBERS OF VHSC, PLEASE PARTICIPATE IN OUR VOTING:**

**DO YOU AGREE WITH THE VHSC COMMITTEE TO CHANGE THE STATUS OF OUR VHSC FROM A REGISTERED SOCIETY (WITH FULL COMPETENCE) INTO A NON-REGISTERED SOCIETY (WITH RESTRICTED COMPETENCE )?**

**PLEASE GIVE US A YES, OR A NO, OR AN ABSTAIN, TOGETHER WITH YOUR CALLSIGN, NAME, QTH AND DATE, BEFORE 20 NOVEMBER 2018.**

**THANK YOU VERY MUCH IN ADVANCE!**

**73 and ..... KEEP ENJOYING QRQ!**

**PA0DIN, VHSC-Secretary**
