VHSC-Bulletin nr 1, October 1981.

Dear member!

- We intend to bring out a (irregular!) VHSC-Bulletin. If you change your address please let me know!
- From DL6AN we heard that a group of people in the Federal Republic of Germany founded a VHSCeV (eV-trade mark). The group did never talk to us, neither to Leo, PAoLXL, nor to me. They have stolen our VHSC-characters, see enclosure.
- You can steal characters if you don't have them, but you certainly can't steal hamspirit, friendship, faith and sincerity if you don't possess these values!
- Of course VHSCeV is absolutely not the same as our VHSC!
- Our newest member is DL2FAK, Tom, VHSC 72. He is 18 years old and a very fine operator!
