| F6DUR | 133 | Gas | YU1RL-EA2DY-OE7RKH-F6ENN |

From the Members:

VHSC12: We found the present QTH of ex-HB9YZ. OM Beat has no license now, but if he comes back on the bands, he wishes to be active VHSC-er again. So delete until further notice.

VHSC39: OM Neven let us know that he is not interested in ham-radio anymore, so delete VHSC 39.

Vy 73 es cu!

Jim
PAODIN
