

VHSC-Bulletin nr. 8, September 1985

Dear VHSC-Members,

You are united in the Radio Telegraphy Very High Speed Club, which is a Dutch society. According to the Dutch law the VHSC has its seat in Nijmegen. VHSC is not a registered society, but VHSC practically has the same position like a registered society.

The VHSC-Committee acts as VHSC-Board. From time to time your VHSC-Secretary has conversations with PAoLOU and DL6MK. The course of VHSC-Things then is discussed.

New members. We welcome our friends: (21 September 1985)

Txn fer QSP, Jan!

VHSC-Bulletin, mailing costs. In VHSC-Bulletin nr. 7 we wrote about the problem of these mailing-costs compared to the small-size VHSC-Budget. Thank you for the reactions which some of you did send to me. Vy nice! YU2WJ and HA3NS offered to take over the mailing for VHSC-Members in YU and HA, vy good Daki and Jan! Other members suggested to make a VHSC-Badge, or a VHSC-Sticker as well, to be sold amongst the VHSC-ers in order to raise a fund. DL2FAK organized a "pass the hat round" at the EU-CW-Meeting. A nice amount of Marks was collected. Thank you, Tom! Your VHSC-Secretary is also acting as "VHSC-Treasurer". He is responsible to the VERON-Treasurer.

To give you an idea about the VHSC-Finances: (in Dutch guilders)

	1981	1982	1983	1984
Income(contributions, donations,etc)	52	260	502	379
Costs(mailing, copies, etc)	222	650	474	423

VHSC-Sticker. You see a sample of the new VHSC-Sticker, which is available now for VHSC-Members only. Very representative for your correspondence or your QSL's! Look for enclosed instructions how to order.

VHSC-Badge. Only for VHSC-Members a nice VHSC-Badge is available now. The badge shows the VHSC-Emblem in the dimensions of the VHSC-Sticker, 20 x 10 mm. The VHSC-Emblem is in gold, on a blue blackground. It's really a beauty! Look for enclosed instructions how to order. I would prefer to send you stickers and badge free of charge, but that's not possible!

Pse your attention for:

- HSC-Contests, last Sunday in February and first Sunday in November, 0900 - 1100 and 1500 - 1700 UTC, all bands. There is also a QRP-Category now!
- SCAG is trying to set up a High Speed Net. Look on 3578 kHz on Friday 1800 and Saturday 1430, MET.
- listen to DLoHSC, first Saturday of the month. 1500 UTC on 7025, English and 2100 UTC on 3555, German language. Join the "ZAP"-Traffic afterwards!

Inquiry. The VHSC-Committee wishes to know your opinion on certain things. Pse give one answer to each question and send it to: VHSC-Secretary, PAoDIN, Schoutstraat 15, 6525 XR Nijmegen, Netherlands.
