**HSC MARATHON 1996 ! ! !**

The Radio Telegraphy High Speed Club (HSC) is going to organize a big annual challenge to all HSC-members and non-members as well, starting 1996. This will give all amateurs a chance to meet HSC-members on the bands - and, may be, even join the fraternity of high speed telegraphy!

The HSC Marathon 1996 has started on January 1st, 1996, at 00.01 UTC, and will end on December 31st, 1996, at 24.00 UTC. It is open to HSC-members and non-members. All CW-fans are invited to work as many HSC-members as possible. All bands are permitted, and of course, only 2 way CW contacts will count.

Each QSO with an HSC-member will count for 1 point per band, provided he/she is a member at the time of the QSO. The score is the sum of all points you earned.

The winner will be honoured with a prize.

Send your log to: DF5DD, Werner Hennig, Holzstrasse 312, D-59556 LIPPSTADT, Germany, before January 31st, 1997.

PLEASE LET ME KNOW WHEN YOU CHANGE YOUR ADDRESS!! Thank you!

HOW ABOUT YOUR ACTIVITY ON THE BANDS ???? JOIN THE HSC-MARATHON!!!
