### **NEWS FROM THE VHSC-MEMBERS:**

With sad feelings we regret deeply to announce that:

DJ9SB, VHSC 60, Rena, became a silent key on 28.10.2009, at the age of 70 years. She had been a member of our VHSC since 20.9.1977. Rena was not QRV anymore during the last years, due to her severe illness, but she kept strongly supporting our VHSC.

More news:

- Pse delete ex-DF3OH, Andy, VHSC 68, from your VHSC-records. The callsign DF3OH does not exist anymore; letters to Andy were not replied (were not returned either, so maybe somebody must have red them); the local radioclub in his QTH doesn't know about him; Andy's telephonenumber "is not in use", as the German Telephone Company says.
- 4O7A, VHSC 251, Djurica, for personal reasons wishes to resign from VHSC, after the end of 2009. It's a pity, Djurica! We will remove your call from the VHSC-Memberslist after 31.12.2009.
- YT1AA, VHSC 267, Vema, is also QRV as YT4A.
- G0FJT, VHSC 303, for the next few years will be QRV as KL7VA, or from KL7AIR.
- DK5KE, VHSC 57, Ludwig, suggested to have websites of VHSC-members published. Pse see VHSC-Bulletin Nr. 41.
